

AMAZING
Shades & Sails

Clover Hill State School Mudgeeraba QLD

Client:

Clover Hill State School

Design & Construction By:

Amazing Shade & Sails

Project Status:

Completed June 2006

Project Size:

1200m²

Structure Type:

Custom Shade Sails
Three separate areas

Budget:

\$50,000

- The client had three areas in the school that required shade
- We provided shade for two playground areas and a food court
- Due to the large spans the chosen fabric was Monotec 370. This fabric has a low stretch factor which helps maintain good tension in the sails
- The children are protected when playing with the fabric reflecting and absorbing 90% of the sun's harmful UV rays
